

THUMB-TACK GREETINGS

The canvas art, wall-worthy greeting card

Key Features:

5" x 5" · 100% cotton canvas art print · environmentally friendly

We asked ourselves, why not create a card that you want to “hang around”?

From the beginning, Tree-Free’s been known for the art on our cards, with thousands of notes from customers, fans, and followers, telling us they buy our cards just to hang on their walls. Inspired by all the love, we thought we’d give some love back, by creating a greeting card that is truly printed like a work of art.

As we celebrate our 20th year in business, we are excited to bring our artful messages to life through canvas wall art greeting cards. Introducing Thumb-tack Greetings - a unique 100% cotton canvas greeting card. It doubles as a beautiful gift!

Each canvas art card includes a satin cord for hanging, creating a lasting keepsake that is wall-worthy. The card portion of every Thumb-tack Greeting is made from 100% post-consumer recycled paper. This is unlike anything on the market!

Thumb-tack Greetings is a canvas wall art greeting card designed to last, with empowering and artistic messages for today, tomorrow and years to come.
